# of lessons	Price (\$)	\$/Lesson
1	\$22	\$22/Lesson
Monthly (4)	\$80	\$20/Lesson
Quarterly (12*)	\$216	\$18/Lesson

*Quarterly rates are based on 12 lessons, although it is possible to get 13 with perfect attendance.

Monthly/Quarterly Tuition Policies

-Students who pay for one lesson at a time must pay in advance for their next lesson (ie., they will pay for two lessons on their first day and then pay for one lesson at each subsequent lesson unless they decide to discontinue).

-The Monthly and Quarterly lesson packages entitle a student to their time slot every week for 4 consecutive weeks if monthly, 13 consecutive weeks if quarterly, beginning with the first lesson.

-It is possible to reschedule your lesson if at least 24 hours notice is given (based on availability - I am usually pretty flexible!)

-If Dan cancels, the lesson will not count toward your total and this contract will be extended by a week.
